Honorable Ann H. Kobayashi
Chair, City Council
City and County of Honolulu

Madam Chair:

Your Committee on Parks, Community Services and Intergovernmental Affairs, to which was referred the review and evaluation of the Child Care Advisory Board pursuant to Ordinance 17-44 (codified as Revised Ordinances of Honolulu 1990 (ROH) Chapter 3, Article 15), reports as follows:

The purpose of the review and evaluation is to determine whether the ordinance establishing the board should be retained, amended, or repealed. Ordinance 17-44 implements Charter Section 13-103.2, which mandates the periodic review and evaluation of certain City boards and commissions as provided by ordinance.

The Child Care Advisory Board was established by ROH Section 11-1.3, and has the following powers, duties, and functions: (1) To advise the child care coordinator established in Section 11-1.2 on means to encourage the private sector to become partners with the city in expanding child care services, and on means to increase the public's awareness of child care issues; (2) To serve as a forum for the various sectors of the community to address child care needs and consider appropriate actions for public and private implementation; and (3) Hold public hearings to seek advice and information from the public in furtherance of its duties, as needed.

The Board consists of nine members of which four members are appointed by the mayor, four members are appointed by the presiding officer of the Council, subject to approval by the Council, and the ninth member is appointed by the mayor and confirmed by the Council.

By Departmental Communication 23, dated January 17, 2019, the Department of Community Services (DCS) submitted to the Council a report on the Board's accomplishments and activities, as required by Ordinance 17-44 (ROH Section 3-15.4).

At your Committee's meeting on March 25, 2019, the Director of DCS testified that the City has a membership on the state governing board of the Executive Office of Early Learning and believes the City currently has a position on the subject matter and that it would be duplicative for the City to continue to have its own board. In addition, City zoning policy allow for lands to be set aside to develop child care facilities in new developments.

No public testimony was received on the Child Care Advisory Board.

Your Committee, after due consideration, makes the following findings:

- The City's Child Care Advisory Board is duplicative of the state governing board of the Executive Office of Early Learning

Based on the foregoing, your Committee makes the following recommendations:

- Repeal ROH Sections 11-1.2, ("Child care coordinator") and 11-1.3, ("Child care advisory board").

A draft bill implementing your Committee's recommendations is attached hereto.
